“ *"To Lorena, James and Jim Lopez, and the rest of the family, I am so sorry to lose Sonya. She and Jim are like second parents to many of us kids, and I was constantly at their house with Lorena from the time we were just little kids. There are so many great memories of growing up there with the family. I am going to really try to be there for the funeral, but please know that my thoughts and prayers are with you all. God Bless you. I know that she is in Heaven smiling down on us all...."* ”
