“Very sorry, Jim, for your loss. I worked with Sophie for many years at Hope College in the Career Center. She was a sheer delight to work with, always bringing a positive outlook to everything, as well as a great work ethic! When I first started, she kindly oriented me to the office operation and was quite patient with my miscues. It was also great to see you both after Sophie retired from Hope. My thoughts and prayers go with you and the rest of your family.”

“We offer our deepest condolences to all of the Hamberg extended family during this difficult time. Sophie was a very special person and she will be greatly missed. Treasure all the good memories you have of her and let them bring a smile to your face even as you grieve. May God wrap his loving arm around you and bring you peace that defines understanding. Heaven gained another precious angel and her body and mind are no longer burdened by earthly ailments. We wish we could offer our sympathies in person, but we committed to visit family across the state this weekend. But our thoughts and prayers are with you in the coming days and weeks.”
