“ Stacey was the kind of person whose smile could light up a room—even on her toughest days. Her heart was always open, and she found joy in helping others in any way she could. I knew Stacey through her volunteer work with the Phoenix Society for Burn Survivors, where she brought spunk, warmth, and a contagious energy to our team.

She was deeply respected in the community and beloved by all who met her. At every World Burn Congress, Stacey could be found at the registration table, greeting survivors from around the world with her radiant smile. The days were long, but Stacey never slowed down—she’d walk circles around the rest of us, always with a cheerful spirit.

Stacey will be deeply missed, but her legacy of love, service, and compassion will live on. Her dedication to volunteering and her genuine care for people will always be remembered and felt.

“ It has been an honor and blessing to have known Stacey. She made a huge impact on so many lives, including our daughters Ashley & Emily at Lakewood Elementary, spanning 7 years.

She was like a second Mom to our girls.

She led by example by teaching kindness, thoughtfulness, generosity, and respect.

Our girls will always remember her helping with homework, playing fun games, crafts, and of course the infamous “Store” at Panther Place which you could earn money and then go shopping for trinkets.

She will be greatly missed.

Our condolences to her family & Friends.

Forever grateful to have known Stacey. 💕

Rest in Peace.

“ We are so sorry to hear this news...we first met Stacey when our son went to kindergarten at Lakewood...she made a lasting impression on London and our family that continued far past elementary school...it takes a village and we were lucky to have her a part of ours. She was one of his biggest encouragers through his own health journey, sports and other extra curricular activities, often showing up at games, plays and checking in often. Her strength, resilience, love for others and her ability to find humor in it all were some of what we loved most about Stacey. You will be missed is an understatement...thinking of you all...thanks for sharing her with us and the West Ottawa community. ❤️

“ Miss Stacey worked at Lakewood school when my daughter was young. She was more than just an after school teacher, she was a second mom to our children. With a heart full of love, patience, and wisdom, she guided, taught, and nurtured every child as if they were her own. Her kindness and light touched so many lives. This earth has lost a precious soul—truly, she was an angel among us.

“ There's not a day that goes by where I don't bring you up at the YMCA you were seriously the best . I enjoyed the little bit I got to work with you. Your legacy is still carried to this day. All the glitter you donated ... we still got some. Rest easy glad you're no longer suffering.

“ Stacey was my grandson's after school daycare provider and "teacher" at Lakewood Elementary School for five years. She became a great friend to his family and myself. We shared many conversations on the days I'd pick my grandson up. She was a trooper for sure. May God Bless you Stacey as you continue your journey. “ Oh Stacy!! I will miss you greatly! I loved coming into my kitchen at Lakewood Elementary every morning to your smile. I loved watching you with the kids and thank you for the things you taught me!!! I use the C.Ds you gave me for my daycare daily. I am thankful that you are at peace and that I will see you again someday!
