“ *"I enjoyed getting to know Stella. When we moved to Holland, she and I were able to visit her entire family. I really appreciated getting to meet some of my cousins. Stella was very caring and would do many things for others. Thank you, Stella, for some of these family connections."*

“*Correction: Aunt Stella was always kind and thoughtful. Twice when I was a baby and young child, she and her mother took care of me for a week or more when my mother, Anna was in the hospital. This was a great help to my dad, Lou.*”

“*Aunt Stella was always kind and thoughtful. Twice when I was a baby and young child, she and her mother this was a great help to my dad, Lou. She also helped me to get a job as a teenager at the grocery where she worked. I have many fond memories of visits with Aunt Stella and Uncle Herm. I especially looked forward to the treats of cashew nuts and butterscotch candies she always provided.*”
