“ *"Dear Rosemary and family,I sometimes "visit Holland" virtually by my computer, and I found that your wonderful husband Steven has passed away. I am so sorry and I would like to give you all my strength.Maybe you remember me from long time - I was staying as an exchange student in the family together with Barb. I am still living in Sweden and I have not been in contact with Barb and the family for many many years.I am now trying to find Barb. I would like to talk to her and maybe have a chance to see her. If you can help me by giving me her adress, tel.numer or email, I would be very happy. Lots of love from me to you - I can see you in front of me from the time when I was living in Holland, during 1967-68.Lena WestinHagvägen 107785 44 Dala-FlodaSweden+46703731841lena@hagenfesten.se"*

“*Rosemary and Steven were snowbird members of our church where they would escape the harsh winters of Michigan. Steven was an outdoors enthusiast, enjoying fishing and golf here. These are some of Sebastian's best attractions. We met Steven during church fellowship and did many wonderful golf outings together. He was such a joy to be with. Our thoughts and sympathies are with you at this difficult time. Our love and prayers we give to you and your family. Sebastian UMC*”

“Steven was one of our passionate snowbirds whom I had the privilege to meet during our church fellowship here in Sebastian. He was a welcomed member of our golf threesome over several winters. and enjoyed playing the links so much. He was one of the nicest persons I ever had the pleasure to know. The Lord is caring for him now in heaven. Sebastian UMC”
