“ *I was unable to come today to celebrate Steve's life. Jim & Sandy, no one should ever have to bury their child. My heart breaks for you all. You raised an amazing man. He was the best friend any one could ever ask for. We haven't spoken much for awhile, but we spent a lot of time together when we were younger and made lots of great memories. He stood up in my first wedding and was at almost every one of my daughter's birthday parties for many years. Since hearing of his passing, my mind has been flooded with many memories over the years. He will be greatly missed and my thoughts and prayers are with you all as you grieve his loss to your lives. Much love from my family to yours.*

“ Steve was a such a great guy and will be missed. We were friends our senior year of high school and for a while after, as we grew older and went on with our lives we grew apart but he always held a place in my heart.

“ Steve was a huge part of my life in my early 20s. He was there to hold each of my 4 children at the hospital. I will always remember his sense of humor and caring words. He was there when you needed him. See you later my friend ❤️💜❤️❤️❤️
