“ Aunt Susan was a great-aunt to me and I only saw her a few times a year. But she always made a point of saying something kind to me or sharing a story that she thought might interest me. And her and Uncle Hershel always made a point of buying one of the pumpkins I would grow when I was a kid. She was such a lovely lady. Your family will be in my family's thoughts and prayers today.

“ I have such warm memories of Sue when she lived in East Saugatuck. My mother considered Sue a dear friend and jokingly referred to her as the “City Slicker” when she and Herschel moved closer to town. I will be thinking of your family as you say your final good-byes to your dear mother.
