“ Tina was the sweetest person I had the pleasure of meeting so many, many years ago. She was funny, plucky and would give you the shirt off her back. Our loss is Heaven's gain. God Bless you Jim and thank you for taking such good care of her.

“ Tennina- I surely will miss seeing you at Target. I loved how excited you would get when you would see certain ones of us! I mean Sammy and Sarah always say they were your favorite, but I'm sure it was me! It brought joy to see your beautiful smile and to receive your hug on every trip. You are one lucky lady to have such an amazing man that took such awesome care of you, from polishing your nails, doing your hair, or always making sure you were wearing your favorite color, and of course visiting your favorite store to see your most loyal fans while drinking a Frappuccino made with love by your favorite baristas. Thank you for the many special treats of cookies you have brought us over the years, and even the fancy ballerina cookie for Kathryn. Jim know that if you need anything- we are here for you! Sending strength and hugs your way. ☐ 💙

“Tennina, I am so blessed to have gotten to know you over the years. You're such a beautiful soul. I can't wait to sing and dance with you in Heaven someday. Who knows maybe there is a Target 🎯 in Heaven with Starbucks. I will cherish the memories we made together and especially cherish these pictures I have. We will make sure Jim stays busy and still comes in for his Starbucks. Until we meet again... We love you and miss you.
Love, Sarah Telgenhof (your Target bestie) ☐ 😊
