“ What a fine member of the MAX family he was. He will be greatly missed by many, coworkers and bus community alike. Such a wonderful person to have worked with. It would have been a blessing having also known him during his teaching and coaching days.

“ So sorry for your loss. It has been a pleasure working with him at Max his entire "career" here. We shared many laughs. He will certainly going to miss him. He had many years of accident free driving here. He was always friendly to our passengers and showed compassion to all He came in contact with.
He loved his family with all his heart and always would talk about the many activities (sports of course), that he would go to Detroit to see his grand children play in. He would also mention going to church together. That was a huge part of his life.
