*Deepest sympathy to Orve and family.  
Thelma was my best friend in High School. I best remember her happy countenance, her zest for life, her loyalty as a friend, her dedication to her God, her family and friends - what she did, she did well. I'm grateful for the investment she made in my life and count it a privilege to be called her "friend". I'm looking forward to graduating and sharing the glories of Heaven with you some day. Actually we talked about this on my last visit to Mi in August.  
Praying for God's presence and comfort for each of you
