“ *"Jerry and Bernice. I was looking at the Sentinel online to see if an obituary of my aunt was posted (not yet). But then I saw your Mother's. Since my mother died in 1970 and my Dad in 1980 it was rather startling that some of my classmates do still have parents living. I hope her passing was gentle. Our sympathies. I have retired in Japan where I have lived for 40 years."*

“*Thelma was a client of ours for many years. She was always full of life and quite the character. Age never slowed down her wit. I will miss our office coffee sessions. But, I will miss her more! I am very sorry for your loss!*”

“*We are so sorry for your loss. We talked with Thelma quite often at church. She was a wonderful person and we thought a lot of her. She always had a smile. She used to help us when she worked at the Floral Shop and the Dutchess Shop. May God keep you in His care and wrap His loving arms around you and hold you close. May you feel His presence with you through the coming days. We are praying for you and will be thinking about you often. When you are missing her just keep the memories of all the good times you had close to your heart. It is hard when a Mother, Grandmother, Sister, Aunt, or friend dies but God will give you the grace and courage you need to carry on. Just take His hand and He will lead you. May the God of all comfort be with you through this difficult time. With deepest sympathy, Deb and Jamie Bierema, and Julie Graveling*”
