“ *Sending my condolences to Thelma’s family. She was such a kind person. I had the pleasure of working with her at the bakery while I was in high school and college. Those hours spent alongside her and the other bakery ladies are so precious to me. When my dad passed during my Junior year of high school, Thelma gifted me with a ‘faith’ necklace that I wore for years and years. I think about her often when I reflect on that time of my life. Her thoughtfulness was so impactful.*
