“ *"Grandpa, I'll always have fond memories of the time we've spent together. I love and miss you so much, but I'm glad you're not in pain anymore. You'll always be in my heart. You're gone, but you'll never be forgotten. I love you, Grandpa."*

“ *"Tom was a wonderful cousin and I was lucky to spend a lot of time with him in the summer of 1966 at our cottage on Gun Lake where the two of us mastered the art of water skiing, both learning to slalom the same week end. There were long car rides in the country, lots of heart to heart talks and we became close friends as well as cousins. He confided to me what he was looking for in a woman and at his wedding I took him aside and told him Gloria was the woman he had described to me. His eyes just shone! She was very blonde and very shy in those days and over the years they built a wonderful life together and raised a beautiful family they were proud of. Tom, your dry humor and kind heart have always endeared you to me and even though time and distance separated us, I will always cherish the memories I have of you and am so grateful for that summer we spent together. Fly, cousin! I love you."*

“*So sorry I couldn't make it to the service. Grandpa DuMouchel was a good man who loved his family. He was a quiet type of guy, but had a lot of wisdom. He will be missed greatly.*”

“*I remember you pitching for Tony's Refrigeration in Lakewood Little League in your grey uniform with red lettering. I remember you delivering newspapers in your Renault Dauphine car. I remember walking with our entire family down snow-covered West Main Street to your wedding with your wonderful bride, Gloria. I also remember seeing you in traction at the hospital when you had your surgery. I remember you both supporting Ben and me for the last 36 years--and I really appreciate it! I also remember seeing you in misery in the hospital. Now, I want to remember you being pain-free and at peace for eternity! You are my older little brother and I'll always admire your courage! Go with God in peace!*”
