

## Timothy Looman

July 22, 1969 - May 30, 2025

Timothy Looman age 55, of Holland, passed away Friday, May 30, 2025.

Tim was a 1987 graduate from West Ottawa High School and received an associate degree from Ferris State University in Construction Management. He then graduated from Davenport University with a degree in IT. Tim was employed by Herman Miller for 22 years as a Systems Analyst and then became an IT consultant for several companies. He was a waterfront instructor at Cran Hill Ranch in the summers while he was in college.

Tim played soccer and baseball and enjoyed coaching his sons and their teams in youth soccer and t-ball, and little league baseball. He was the Varsity baseball coach at Black River Schools. He was a member of the Herman Miller golf league for 15 years having fun after work. He was a UofM Football fan and an avid Detroit Tiger's fan. Tim's goal was to visit all the major league baseball fields. He visited several on each of the coasts and some in the middle but fell short of visiting all of them. He made friends easily and considered most everyone he met, a friend. He was a follower of Christ and loved his Lord.

Tim is survived by his sons, Trevor (Clara Phillips) Looman, Wesley Looman; Kim Looman, mother of his children; parents, Rich and Letty Looman; sisters, Jan and Todd Wehrmeyer, Sara and Tom Gortsema, Susan and Pat Collins;

10 nieces and nephews; several aunts, uncles, and cousins.

A memorial service is scheduled for 10:00 a.m. Friday, June 13, 2025, at Fellowship Reformed Church, 2165 W. Lakewood Blvd. Holland. Interment will be in North Holland Cemetery. “ *I'm so sorry for your loss, I've been praying that God will surround you all w/comfort and peace. Tim will always hold a special place in my heart, I've known him since grade school and he was my first "boyfriend" in middle school! Our "dates" consisted of racquetball and many skating events at the Grand Roller Rink. And we would hold hands under the table in class at school 😊. I saw Rich and Sarah occasionally at Family Fare where I work, I knew Tim was struggling but didn't expect his life to end this soon. I can't imagine what the family is going through, I wanted to go to the visitation but I had to work and couldn't find anyone to cover for me. Hoping I can see Rich or Sarah in the store so I can express my sympathy in person. Becky (Rhoda) Ward*

*I was so sorry to hear of your family's loss. I have great memories of Tim. He was a great co-worker. The one thing that amazed me about him was he could be coding (we were developers) and also listen to music (practically dancing in his seat) at the same time!!! I am unable to do that... it was definitely his own special talent!! We lost touch along the way, but I always considered him a friend. We will all miss you Tim. Praying for the family's peace during this very difficult time.*

“ To All of Tim's family - my heart hurts for you in hearing this - I always enjoyed working with Tim at HM and seeing him involved at Black River with his sons.

At work, he listened well and translated what was needed into user friendly IT outcomes. And, just an overall pleasure to work with - a positive demeanor and an approach of - we'll figure it out. Thinking of each of you, siblings, Kim, Trevor and Wesley, parents...peace to you. And RIP to Tim.
