“ We Are Less Now

When we experience authentic community, we understand we're all walking each other home.

Todd encouraged me on my journey over the years as we launched BASE CAMP - Saugatuck together.

His words gave me hope.

And now he has met Jesus Christ, our great hope of the resurrection of the living and the dead.

You raced home before us, my brother.

Goodbye for now, but not forever.

Please pray for Todd's family. 🙏

“ We are deeply sorry to hear about the pass away of Todd. We enjoyed working with him more than 25 years – mostly remotely - but were lucky enough to meet him in person a decade ago. He was so passionate about his job that we cannot imagine that the gap he leaves can be filled. We will miss him in our global team. Please accept our sincere condolences.

“ I send thoughts and prayers to Todd’s family and friends. I will never forget picking up our puppy from the Stump’s after our yellow lab was lost/taken away. (Or Rex talking me out of my mom’s homemade choc chip cookies in 1st grade, but that’s his story!). Picking up a puppy from the Stump family will always make them special in my heart. May God’s peace surround you at this time and may you be reminded of Todd’s love daily. - Wendy Wisniewski

“ Todd was a great guy! I can't say I knew him well, but when he came over to the "East side" for work (Plymouth office of JCI/Adient), he would sit by me sometimes, and was always very personable, friendly, happy. He paid attention and listened (not everyone is good at that). I'm sure he will be missed by many.

“ Todd was the best: best neighbor, best friend, best at making people feel heard, best at checking in on people going through something hard, and best at making strangers into friends within a few minutes of meeting. Always there with a ready smile and open heart.

We lost an amazing bright light and he will be missed immeasurably.

Our deepest sympathy and love to Julie and the entire family.

We worked together at Prince, JCI, Adient, etc. He was ALWAYS smiley and friendly, even when he was working around the clock to support various continents for his job. “ *Ciao Todd,
I will always remember you as a kind and caring person,
very passionate about your job and with genuine interest when it
happened to talk a little bit about our personal life and our countries.
Thanks for your support during all these years of work together:

you.
You will be missed in our team.*

“ Our thoughts are with you and your grieving family during this time. May all the loving memories of Todd carry us through. He was such a big part of the Bittersweet Ski Patrol and especially our Tuesday Night Crew. Working alongside Todd for many years was always a joy with his energetic enthusiasm for skiing and his fellow patrollers. You will be deeply missed brother. May God's peace and comfort be upon you Julie, and the entire family at this time.

“ I was deeply saddened to hear about Todd’s passing. Having worked alongside him for 25 years, I can attest to the positive impact he had on our team. His infectious energy and optimistic outlook on life were truly remarkable.

Todd’s absence will be felt profoundly, not only professionally but also personally. His memory will continue to inspire us, and we will honor his legacy by carrying forward the same positivity and enthusiasm he shared with us.

Please accept my heartfelt condolences during this difficult time.

“ I've worked with Todd for the past 25 years. He is a legend. His knowledge of everything automotive, economy, etc was so highly valued.

But, more importantly, he was a great friend. He was a great listener and sincerely cared about others. I will remember him fondly forever.

My thoughts and prayers are with his wife and family - and all others who were lucky enough to know him.
