“ We were so sadden to hear of Trevor's passing. We both have good memories of Trevor. Colin enjoyed going shooting and hanging out with him in high school. Annabelle remembers Trevor from kindergarten and always thought he was a great guy. Our thoughts and prayers are with you. We are so sorry we can't make it to the visitation but you are all in our thoughts.

“ When we moved to Michigan in 2010 our son, Kyle was in 2nd grade. Trevor welcomed him and was so kind to him. They quickly became friends and spent a lot of time together. Trevor was always a happy, smiling, funny, kind-hearted guy. We are lucky to have known him and to have called him a friend. Sending prayers to his family and friends.

“ *Trevor and I met at Camp Geneva in 2019 as CITs together. He was super kind and always knew how to make people laugh. We also were at tech center together and would always say hi and hangout there. He always had the best jokes and knew how to make someone laugh. We would also hangout together with a small group of friends and had the best time. He will be missed dearly.*

“ Trevor was in the same grade as me. We talked in school and even after we graduated we talked a bit more and we would Snapchat each other every day. Trevor always cared about others and had the greatest sense of humor. He will be greatly missed!
