“Our sincere sympathies for the loss of your daughter, sister and aunt. As mentioned, she was given many gifts including friendliness and the strong will to be employed and live independently. She did those things well! I personally liked seeing her as a volunteer at Brookcrest Manor when I visited my mom. God placed her in the perfect family to nurture those gifts. Thinking of you during this difficult time, Love, Scott and Esther Brower Kalamazoo, MI.”

“I don't even know where to begin with memories of Tricia. From her being a little girl twirling my baton at the Allendale 4th of July parade to OAC prom, our conversations at East Ottawa Special Ministries and all the times & hugs shared in between. (Thank you so so much for your recent surprise visit, that will never be forgotten!) I treasure every single opportunity I had to experience life with Tricia, she had the most loving, amazing attitude and was so caring & fun loving. She lived her life to the fullest and loved everyone along the way. She will be deeply missed on earth and I'm so very thankful we know this separation is temporary. She will be patiently waiting for everyone she loved in heaven. My prayers are with her entire family and her good friend Bonita as I know her absence will be felt every day. Dear Wally and Louise~I cannot even begin to put myself in your shoes, my heart aches so deeply for you and with you. Know love, thoughts and prayers are with you constantly. Thank you for sharing your beautiful girl with us and for being brave enough to allow her to soar. She did life so well. Deepest sympathy, hugs and prayers. We love you.”
