“ Uncle Verne was a great man and a wonderful friend . When he was here at my house with the Michigan Boys I would get up at around 5:15 in the morning to start getting ready for breakfast . I would set the table with plates , silverware, and napkins. Make a pot of coffe and cook bacon . Then get ready to fry eggs for the guys as they came up for breakfast . Verne was always the first one up followed by Larry a little later . My alone time with Verne meant the world to me, he always had interesting stories to tell plus his outlook for the coming day's events . Verne was a great man and my friend I'll miss him . I pray that he is in heaven with Larry and watching over me while he and Larry laugh at my continued golfing struggles . I loved Uncle Verne, if there is ever I can be of help to you please let me know . I'm an excellent electrician and have been so for about 50 years. Laura Bakker and Stephanie Baas are my daughters and Terri Stewart is their Mom . I pray that God will comfort and watch over you until you are reunited with Verne .

“ I was blessed to know "Vernie" being one of the "Ohio Boys" that golfed with him for 40+- years. It was always a treat to golf, dine(lots of ketchup). and spend time with Vern. He will be sorely missed by all of us that were lucky to know him. My sincere condolences to his wife and family. RIP Vernie. Dan Hall

Thank you Dan for your kind words. Golfing with the group whether in Ohio or Michigan was always something he looked forward to.
