“ *Hello Vanden Bosch family: I was in your Mom's life for a short while yet I will never forget her. Later in life things were not so easy for her with her eyesight going away and becoming more unable to get around like she wanted to. She would continue with her daily life doing the best she could. I remember her love of baking even with her limited eye sight she could feel if the batter of what she was making was correct or not. She so enjoyed feeding other people when they came to see her. I also remember her faith being very important to her. Going to church was a high priority of hers. It was not uncommon to find Vi in her lift chair reading her Bible and she would keep magnify glass close by to help her to see what her eyes would not allow her to see. Thanks for allowing me to be a small part of your Mom's (and Grandma's) life Sorry I was not able to attend the visitation or funeral due to working conflicts but thought about you often. In God's Amazing Grace, Hope, Love and Mercy !!Lynette S. Eekhoff In this time of your loss, I lift you up in prayer, I pray that in your sorrow, You'll find that God is there And though I can't be with you, You're in my thoughts each day, For I will always remember you When I kneel to pray.*
