“ *Viv was always a bright spot who's smile lit up the room. I have only talked to her a few times in the last couple of decades but memories of her antics live on.  
Good night Viv, hope to see you again in the not too distant future.  
Now that "Starsky & Hutch" are back together Heaven is complete.*

“ *Amy, Lisa and your families - I was so sorry to read about your mother's passing. I know your family has been going through an extremely difficult few years; I've kept you in my prayers during this time and I'll keep praying for all of you. I know you are blessed with wonderful families who love you and will lift you up before Jesus. Take care and know that your Mom is cradled in the arms of her Savior; no more fear and no more pain. It will be such a glorious day when you are reunited with her. God bless. Faith*

“ *So sorry to hear about Vivian's passing, I met Vivian several years ago through a good friend, Tammy Slusser. She was a fun lady to be around. She will be sorely missed by many who knew her. My deepest sympathy to Vivian's family & friends during this very sad time. God Bless!*

“ I am so blessed to have spent time with Viv. She became a friend the first time we met her. Her humor and her love of people showed through in so many ways, but her faith in her Savior was a shining light through everything she went through. So blessed to have some wonderful memories of time spent with her!

“ Words can't express my feelings at a time like this .... You have my deepest sympathy, but it really doesn't help. Your grief goes beyond what words can express. There's nothing anyone can say, and nothing we can do to heal your broken heart or take away your pain. Let God take you in His arms and cover you with His love. He knows the depth of your grief and only He can give you peace. He knows it will take time for your heart to heal, and your loved one has a place that no one else can fill. If there's any comfort let it be in this, your loved one is with Jesus, in a home that's filled with bliss. There are no tears in Heaven, no more heartache and no pain, only love and happiness for all eternity. We must go on living and do the best we can, then when Jesus calls our name we will be with them again. Praying for God's comfort and peace as you walk along the path of grieving. It's not easy to grieve but God will never leave you nor forsake you. In God's Amazing Grace, Hope, Love and Mercy!
