“ *"Dear Gege- We have lasting memories of Walt and you on Woodcroft and up at the Lake. I sent a picture of Walt separately, but couldn't get back to enter this message (yea technology!). We so enjoyed our visit with you two a year ago in Michigan. You are obviously in our thoughts."*

“ *"Dear Gigi and Laurie, So sorry to hear of Walt's passing. He was always a great friend and neighbor to my parents. I've been spending a lot of time at the Bluff and there are reminders of his time spent here. One of my favorite pictures is of Walt, Dad and my son Jeff fishing years ago. My thoughts are with you. “Gege and Laurie and Family I was so sorry to hear of Walt's decline and now his death. He was a great neighbor and member of our Woodcroft family. Walt was always relaxed and joyful. "Laid-back" before that was a concept. I have nothing but good memories of Walt and have missed our "Happy Birthday!" exchange each June 10th. My sincere and fond sympathies. Chris and Lissa Werner”
