“We mourn the passing of Warren as we pray for the comfort and solace of his wife, Pat and his daughters. We were blessed in knowing Warren through Grace Episcopal Church and always enjoyed hearing stories from him about his varied and interesting life. Even now we cherish the memory of sitting behind Warren and Pat at Grace in what seemed to be our "assigned pews." Warren rarely missed attending a wooden boat show and we imagine him sitting in his beautifully finished Cris-Craft boat with a line in the water as he waits for Pat. We will miss sharing the "Peace" with Warren, but know that he now enjoys the best peace of all.”
