“ *"I think about Wayne often and about when we left Chris Craft Corporation in Holland to attend Letourneau College in Longview, Texas (now Letourneau, University) and what a big step that was for us. Wayne was a great Christian roommate and we studied together a lot. I miss him and only wish we had spent more time together after College. May God bless you and your family Dawn!"*

“I am saddened to learn of your loss. Wayne was a man of strong moral character who took me under his wing and taught me many things about life as a young engineer at Lear Siegler. He gave me responsibilities beyond my years but I grew tremendously under his leadership. I still can hear his infectious laughter. May God comfort you and the greater covenantal community who knew and loved Wayne. ~ Steve Beukema”
