“ *"We were so sorry to, just today, hear of Willie's passing. We were just talking about coming up to see her again. On behalf of the VandenTak (Van Tak) family, our deepest condolences to Mary and Debra and everyone else in our family. She was so well loved. I was so blessed to have known Rich and Willie even as a child. I will remember her happiness, sharpness in recalling the family memories, and how busy she always kept herself. She loved the Lord. I am happy for her being reunited with Rich and probably doing a lot of card playing with my grandparents in Heaven. Our love to all."*
