“ My husband and I met Gerrit & Winnie in 1975 when we were called to pastor the Noordeloos CRC. We had an invite to the farm for a delicious evening meal. It was served with her homemade bread! The next time she made bread she wrote down the recipe for me. I was someone who had never worked with yeast! Up until then she just put her ingredients together without an actual recipe. I have been using her bread recipe for 49 years! She has made a life long memory for our family. I was able to talk with her a few times on the phone. She was a warm, loving, Christian. My sympathy to the family.

“ Winnie was like a Second Mom to me. She was a special lady to us at Bosch's. She was so liked by all the people she worked with and all the customers she took such good care of. Prayers and Hugs for the family. So sorry that we will miss the service. We are out of town.

“ I have known Winnie since 1977. She is Darby's foster mom. He grew up with her and Gerritt for the formative years of his life. He was the one foster child that stayed with them the longest. They started out in South Dakota on a farm. Then moved to Michigan on a farm on Greenly. They raised hogs and Winnie did a lot of canning and making baked goods. Especially blueberry muffins. And bread. They picked blueberries together. She would say "We are picking them, not eating them." When we got married in 1977 , they came to the wedding and reconnected. We spent times there at the farm on Greenly and then at their home in Zeeland . Darby has a lot of fond memories about growing up there. Winnie amd Gerritt truly impacted his life. They were there for him when he needed to know that someone truly cared about him. She will always have a special place in our hearts. We love her so much. Shelly Kilber
